What we do

Advocacy: Free statutory advocacy services for people with mental health conditions and learning disabilities.

Disabled People's Empowerment: Arts, sports, life skills and wellbeing clubs for disabled children and adults.

Law Centre: Free, independent and expert legal services in housing, employment and welfare benefit law including successful judicial challenges.

Safer Renting: Specialist advice, support and advocacy for vulnerable tenants of criminal landlords.

Youth Empowerment: Medium to long-term, intensive and wrap-around schemes for excluded 16 to 25-year olds.

Research and knowledge exchange: Activities that address a lack of public evidence on issues affecting our service users', and share ways to address new and emerging problems in our communities.

Offices and Venue Spaces for hire

Our building in Southwark is a home for voluntary and community organisations and a space where local people come together to promote and bring about positive social change.

We have offices to rent and venue spaces for hire. All

All our income from venue hires helps us to maintain our local and frontline anti-poverty and social justice services.
